**Re: Application for the position of pharmacist in Ottawa, reference 84567**

Dear Ms. Brown:

I would like to apply for the position of pharmacist with Shoppers Drug Mart, which I saw advertised on [www.pharmajob.ca](http://www.pharmajob.ca). I am very interested in working for your company, which for close to 40 years has innovated and grown while maintaining the quality of customer service—an essential human value.

I have more than 13 years' experience as a community pharmacist. The contact with customers, counselling and active listening required in this context are of great importance to me. During this time, I honed my skills in a variety of fields: personnel management, business data processing and interpersonal skills. I also participated in epidemiological research, a topic I am particularly interested in.

I hope to have the opportunity to meet with you soon.

Yours truly,

*Jim Wilson*
